DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Due to a clerical error on the part of the PTO, the office action mailed on 5 May 2008 did not contain a properly completed office action summary sheet (form PTO-326). Since that form sets forth the statutory response period for the office action, it was unclear that a 3 month shortened statutory response period should have been set. Therefore, a completed office action summary sheet is being forwarded to Applicant to substitute for the sheet contained in the 5 May office action. Since this form defines the response period to the outstanding office action, the response period is being reset to the mailing date of this communication.
